

The 31' Bay Launch, built on traditional Chesapeake Bay deadrise hull, is powered by a 6.7 Liter 380 hp Cummins; which quietly pushes the boat to 26+ knots and she cruises comfortably at 18 to 20. This is an exceptionally well built boat which could easily be used for a wide range of leisure and entertaining functions. The large open cockpit area could be used for fishing in the morning and a cocktail cruise in the evening. The interior is laid out for an overnight stay with modest accommodations and enclosed head. Everything is built to very high standards to last. This is the ideal boat for any Bay or intercoastal cruising and her traditional line will turn heads going into any port.

Measurements

- ★ LOA – 31'
- ★ LWL – 28'
- ★ BEAM – 11'
- ★ DRAFT – 2'6"

Hull

- ★ Campbell 31' Foam Cored Laminate (white)
- ★ Vynylester skin coat
- ★ Finish – Awlgrip
- ★ Bottom paint – Micron CSC

Performance		
Cummins QSB 6.7 liter 380hp	18 Knot Cruise	27 Knot Top

House Deck (custom by Campbells)

- ★ Foam cored (corecell) fiberglass
- ★ Core Protection at all hardware (epoxy composite)
- ★ Molded fiberglass cockpit sole
- ★ Note: Entire deck will have Awlgrip finish

Interior Finish

- ★ Interior bulkheads: treated baltek balsa core or fir plywood
- ★ Foam backed vinyl or laminate for cabin sides
- ★ Textured foam backed material for overhead
- ★ Laminate on bulkheads
- ★ Teak Trim
- ★ 4" cushions on berths
- ★ Corian countertops

Head

- ★ S.S. sink & fixtures
- ★ Dometic head - freshwater
- ★ 20 gal. holding tank

Electronics

- ★ Garmin Radar/GPS/Map
- ★ VHF
- ★ AM/FM CD player
- ★ Four (4) speakers

Exterior Hardware

- ★ PVC rub rails with stainless cap
- ★ PVC spray rails and toe rails
- ★ S.S. Engine vent
- ★ Hand rails on forward cabin and hardtop
- ★ 8 – 10" S.S. cleats
- ★ 1 - S.S. Hood 24"x24" hatch
- ★ 4 – 6"x12" Hood portlights
- ★ S.S. deck fills/tank vents
- ★ Aluminum extruded windows

Galley

- ★ NovaKool RR600 2.4 c.f. Frig-freezer 12v/110v
- ★ Stainless steel sink & fixtures – 8" deep
- ★ Microwave

Power

- ★ Cummins QSB 6.7 liter 380hp
- ★ Dual Racor fuel filter
- ★ Groco raw water strainer
- ★ Dripless stuffing box
- ★ Aqua-Mat 22 - 1¼" prop shaft
- ★ 1½" sound insulation
- ★ 1 - 80 gal. Molded Plastic Fuel Tank
- ★ 1 - 40 gal. Molded Plastic Water Tank
- ★ Custom Soundown Exhaust
- ★ Sound Insulation

Electrical

- ★ 1 - 30 Amp Hubbell shore power inlet
- ★ 2 - 20 Amp GFI receptacles
- ★ 1 - 12V DC Paneltronics distribution panel with 18 circuit breakers, volt and amp meters
- ★ 120Vac Paneltronics distribution panel with 7 circuit breakers and reverse polarity warning, volt and amp meters
- ★ Heart 2500 Inverter Charger
- ★ 2 - 4D AGM batteries for house
- ★ 1 - 4D AGM battery for engine
- ★ Aquasignal Nav. Lights
